

## Statement of Remote Learning

During this period of remote learning, as a result of the nation's pandemic, it is necessary for students to participate in online activities using their Chromebook or other electronic device. Students will participate in online remote instruction with Dartmouth Public School Teachers. Dartmouth Public School students will also engage in classroom instruction that may include video, audio, or electronic mail or chat. We at Dartmouth Public Schools make every effort to use these 21<sup>st</sup> century technology teaching tools with the utmost care and attention. We also use online software subscriptions and apps that practices proper online safety protocols and comply with online student privacy laws. Additionally, Dartmouth Public Schools and its employees take steps to adhere to safe online uses and guidance through the following laws.

Children's Online Privacy Protection Act (COPPA) – For more information: <https://www.ftc.gov/tips-advice/business-center/guidance/complying-coppa-frequently-asked-questions>
